Position Vacancy Announcement: Director of Nursing Services

- Senior Leadership Level
- Full-time

Description

The Spring Valley Health and Rehabilitation Center, Spring Valley, WI is an entirely new senior living campus with state-of-the-art features including full digital electronic patient medical record system and “quite” notification nurse call pager system. Our "4 star rated" skilled nursing facility is also a clinical site for a regional technical college nursing program. You will be supported by a senior leadership team of colleagues and a local board of control to further enhance our non-profit organization as a premier employer and provider of senior care and rehabilitative services. This role is an integral part of our leadership team reporting directly to the Administrator/Chief Executive Officer.

Job Description

In this nursing executive role you will be responsible for leading the nursing team to ensure high standards of quality and operational success, developing and coordinating professional and para-professional caregivers, while maintaining and improving relationships with healthcare providers and hospitals in the region.

Qualifications

- A current license as a Registered Nurse (RN) in Wisconsin OR ability to obtain state reciprocity
- 3 – 5 years of post-acute care nursing experience
- Proven results and experience in a management role
- Strong working knowledge of regulatory compliance
- Solid organizing, planning, and scheduling skills
- Must have exceptional interpersonal skills with the ability to effectively communicate with a variety of people and personalities.

Additional Information

Please e-mail confidentially and directly to Administrator / CEO of Spring Valley Health and Rehabilitation Center. Kevin H. Larson (KevinL@svhcs.org).
