Certified Nursing Assistant Job Duties:

As a CNA, responsibilities focus on providing professional and dependable caregiver assistance within all aspects of daily living for elderly and disabled persons. Including but not limited to:

- Provide patients' personal hygiene by giving bedpans, urinals, baths, backrubs, shampoos, and shaves; assist with travel to the bathroom
- Provide for activities of daily living by assisting with serving meals, feeding patients as necessary; ambulating, turning, and positioning patients; providing fresh water and nourishment between meals
- Maintain patient stability by checking vital signs and weight; recording intake and output information
- Provide patient comfort by utilizing resources and materials; transport patients; answer patients' call lights and requests; report observations of the patient to nursing supervisor

Required Skills:

- Current certification as a Certified Nursing Assistant in the State of Wisconsin is required. Candidates who have successfully completed a 120-hour training program and are waiting to complete the state exam will also be considered
- All candidates must have a proven attendance record, good customer service skills, the desire to work with those in need of assistance, and work well in a team environment
